SUMMARY OF INFORMATION

The target is a large structure with objects on the inside and outside. It is composed of high and low portions to include a triangular shape and columns for structural support. The structure has in it or on it cramped quarters (compartmented areas) for people. It is technically made of predominately metal and some wood. There is an energy about it and water is at the site. The number seven is associated with the target. This structure is exposed to the element of air.
